INFORMATION FOR AUTHORS

The Editorial Board of the *Berkeley Technology Law Journal* invites the submission of unsolicited manuscripts. Submissions may include previously unpublished articles, essays, book reviews, case notes, or comments concerning any aspect of the relationship between technology and the law. If any portion of a manuscript has been previously published, the author should so indicate.

Format. Authors may submit manuscripts in electronic or hardcopy form, though electronic submissions are strongly encouraged. Electronic submissions should be sent as attachments in Microsoft Word format to btlj@law.berkeley.edu. Authors should submit double-spaced, single-sided manuscripts with generous margins. We regret that submissions cannot be returned. Authors should retain an exact copy of any material submitted.

In addition, the author should include his or her credentials, including full name, degrees earned, academic or professional affiliations, and citations to all previously published legal articles.

Copyrighted Material. If a manuscript contains any copyrighted table, chart, graph, illustration, photograph, or more than eight lines of text, the author must obtain written permission from the copyright holder for use of the material. A photocopy of such written permission should accompany the submission.
